## COMPANIES WORKED WITH

ROYAL ACADEMY OF MUSIC

I have recently gone freelance in my music career but now looking to pursue a new full-time career in programming, while picking up new skills and putting my ability to collaborate as a team back into action. I hope to bring my innovation and creativity into the team.

I have a history in the family of software specialists and programmers so it has always been something surrounding and inspiring me growing up, I was naturally both very technical and musical in my youth and at the time pursued a career in the music side of things and missed out on having programming creative outlet which to this day I regret.

I am great with clients, at understanding things to fine detail, very IT literate and can pick things up quickly and effectively.

I have a kind heart and a great sense of humour making me good at keeping morale within a team.

I would love to be part of your team and grow within your company. I am very technically able and competent in using software and understanding how things work behind the scenes. The last time I taught myself a new software (LOGIC PRO X) I made a 7 year successful career out of it!

## TESTIMONIALS

**KAVEH MEMARI - DIRECTOR METRONOME -**

"HAVE HAD THE PLEASURE OF WORKING ON MATT ON THREE SEPARATE PROJECTS REQUIRING VO, SOUND, MUSIC AND FX. I HAVE FOUND THAT IN EVERY CASE HE HAS BEEN QUICK TO PRODUCE, HAD A GOOD EAR, WAS COST EFFECTIVE, AND A TOTAL PLEASURE TO WORK WITH. HE WAS ALSO ABLE TO INTERPRET CREATIVELY AND PRODUCE SOMETHING BETTER THAN I EXPECTED. I WOULD HAVE NO HESITATION TO RECOMMEND HIM AND WILL CERTAINLY CONTINUE TO WORK WITH HIM IN THE NEAR FUTURE. THANKS FOR ALL YOUR HELP MATT."

**PRITPAL, IM 13 13**

"MATT KNIGHT U.K'S BRIGHTEST YOUNG TALENT.

WE SPENT MONTHS RESEARCHING PRODUCERS TO CREATE WORLD CLASS MUSIC FOR OUR ALBUM AND MATT TOTALLY BLEW US AWAY WITH WHAT HE PRODUCED. HIS ABILITY TO PRODUCE MUSIC OF ALL DIFFERENT GENRES TO SUCH A HIGH STANDARD THAT TRULY MOVED US SEPARATED HIM FROM THE REST."
